Transcript: Marion Lawful daughter of John Forrest and Janet Ritchie in Sandielands was born on the twenty sixth day of January eighteen hundred and sixteen and baptised on the first of February.

Although the above is the best match date of birth wise, I don't think this is the correct Marion Forrest, as in the 1841 Scottish census this one is listed as unmarried, aged 20 and still living with parents in Carmichael and on the 1851 Scottish census she is still with her widowed father, aged 35, unmarried and his housekeeper (although this would explain where our Marion was on the 1851 census). Our Marion Nicol (nee Forrest) is on the 1841 census already married and living with Andrew Nicol in Glasgow.

Working on the basis of the ages given for our Marion in all the censuses (ie 25, 45, 55) there is one other possibility. A Marrison Forrest, born October 1815:

I have no way of validating if this is the correct Marion Forest. I cannot find the family on 1841 or 1851 Scottish census. If it is the correct person then the following copy of a report on the Family Search website is relevant:
